

Nice to haves

Would prefer to not communicate with email anymore

Cross platform compatibility

Better Organization to archives

Music distribution

Have recordings of the music available

Easy music upload so it's not a hassle

Archive music after the orchestra season

Unique user profiles w/ roles

Only have sheet music for their role

Ability to have multiple roles for people who switch sections, or are a teacher

A place to retrieve contact info for other members

Conductor/student corners

Have a spot for teachers to communicate with students

Place for the teachers to give exercises and music

Google calendar

Have a calendar to show rehearsals and concerts

personalized sectional calendar
