

Nice to haves

Would prefer to not communicate with email anymore

Cross platform compatibility

Better Organization to archives

Music distribution

Have recordings of the music available

Easy music upload so it's not a hassle

Archive music after the orchestra season

Unique user profiles w/ roles

Only have sheet music for their role

Keep the sheet music private

A way for members to add their own recordings to the site

Conductor/student corners

Have section roles

Ability to have multiple roles for people who switch sections, or are a teacher

A place to retrieve contact info for other members

Google calendar

Have teacher, student, conductor roles

Easy maintenance for adding/removing users, roles

Remove access to site and music to past members
